SENATE RULES

1. The President, having taken the chair, shall determine a quorum to be present. Any erroneous entry in the daily journal shall be corrected no later than the third succeeding legislative day and the permanent journal corrected one week after the permanent journal copy is placed in the hands of the Senate.

2. *No member shall hold conversation with another while a member is speaking in debate, or use electronic devices, including but not limited to personal computers, and telephonic devices, without leave of the Senate.*

3. Every member, wishing to speak, shall address the President and when he has finished shall, if having risen to speak, then sit down.

4. No member shall speak more than twice on the same question on the same day without leave of the Senate.

5. More than one member rising to speak at the same time, the President shall decide who shall speak first.

6. If any member transgresses the rules of the Senate, the President shall, or any member may, call him to order; in which case the member so called to order shall immediately cease and desist, and the Senate, if appealed to, shall decide the case. But if there is no appeal, the decision of the President shall be conclusive.

7. No member shall absent himself without permission from the Senate.

8. When any question is under debate, no motion shall be received but first, to adjourn; second, to lay upon the table; third, for the previous question; fourth, to postpone to a certain day; fifth, to commit; sixth, to amend; and seventh, to postpone indefinitely; which several motions shall have precedence in the order in which they are so arranged. Motions to adjourn, to lay upon the table, for the previous question, and to take from the table shall be decided without debate. Motions to postpone to a certain day shall be debatable both as to time and subject matter. No motion to postpone indefinitely, to postpone to a certain day, or to commit, being decided, shall be in order at the same stage of the bill or resolution, until after adjournment.

9. A question which is postponed indefinitely shall not be acted upon during the biennium except whenever two-thirds of the whole number of elected Senators shall on division taken, vote in favor thereof. Any bill which is indefinitely postponed shall not be reintroduced under cover of an amendment to the general appropriations (budget) bill. No motion to suspend this rule shall be permitted.

10. Any member may call for a division of the question when the sense will admit it. Unless otherwise specifically provided for, a majority of those present and voting shall be required to pass any vote.

11. When the reading of a paper or document is objected to by a member, the question shall be determined by a vote of the Senate; and without debate.

12. When the nays and yeas have been moved by a member and duly seconded by another member, each member present shall declare his assent or dissent to the question, unless for special reason he be excused by the Senate. The names of the persons so making the motion and the second shall be recorded in the Journal. A member who is to be absent when the yeas and nays are required may pair his vote with another member, to be present or also to be absent, who intends to vote on the opposite side of the question. Pairs shall be permitted only if the yeas and nays are taken on such question. Both members shall file such pair in writing with the Clerk before the question is put. In all cases of pairing, the vote of neither member shall be counted in determining the result of the roll call; but the Clerk shall announce all pairs and enter them in the Journal. The President shall determine the order of the roll call. No member shall be required to vote in any case where he was not present when the question was put.

13. In case of any disturbance or disorderly conduct in the gallery, the President shall have the power to order the same to be cleared. The Chairman of the Committee of the Whole may restrict attendance to the duly elected Senators.

14. No vote shall be reconsidered, unless the motion for reconsideration be made by a member who voted with the prevailing side, nor unless the notice of such motion be given to the Senate in open session prior to adjournment on the same day on which the vote as passed, or on the next day on which the Senate shall be

in session within one half hour after the convening of the early session, and any such notice of reconsideration shall be effective for three legislative days only and thereafter shall be null and void.

14 (a) Reconsideration of any bills subject to a transfer date established by joint rules must be acted on or before the joint rule deadline, and thereafter shall be null and void.

15. Before any petition shall be received and read, a brief statement of the contents thereof shall be made by the member introducing the same.

16. All petitions, memorials and other papers addressed to the Senate and all bills and resolutions to be introduced in the Senate, shall be endorsed with the name of the Senator presenting them, and with the subject matter of the same. Every bill shall be marked on the first page "Senate Bill" and numbered serially; every joint resolution shall be marked "Senate Joint Resolution" and numbered serially; every concurrent resolution proposing a constitutional amendment shall be marked "Concurrent Resolution Proposing a Constitutional Amendment" and numbered serially; and every other concurrent resolution shall be marked "Senate Concurrent Resolution" and numbered serially, as each bill or resolution is introduced into the Senate.

17. All petitions, memorials and other papers addressed to the Senate and all bills and resolutions to be introduced into the Senate shall be delivered or caused to be delivered to the Office of Legislative Services, which in turn will submit it to the sponsor for his signature, and then to the Clerk by Legislative Services. If requested by the sponsor, a proposed bill, resolution or petition shall not be made public, except by the sponsor, until signed by the sponsor. During any adjournment the President may receive bills and resolutions for printing and for reference to committee, provided that no bill shall have a public hearing until it is formally introduced into the Senate printed and available for distribution. The President shall take up all bills and resolutions for introduction at the early session.

17-A (a) The Office of Legislative Services shall not draft a Senate bill or joint resolution, other than the general appropriations (budget) bill or the capital budget bill, **or bills concerning the Claremont Decision: Docket #97-001,** unless a request by a member for drafting with complete information has been received not later than 5:00 p.m. on **Friday, January 8, 1999.**

(b) Every Senate bill and joint resolution, except the general appropriations (budget) bill or the capital budget bill, or bills concerning the Claremont Decision: Docket #97-001, must be signed off in Legislative Services by 5:00 p.m., on Friday, January 22, 1999.

(c) Notwithstanding the provisions of 17 (a), (b), and (c), a Senate bill, Senate joint resolutions, or Senate concurrent resolution may be accepted by Legislative Services for drafting and introduced into the Senate at any time prior to the deadline established by Joint Rules for the transfer of bills out of the first body if approved by either a majority of the Senate Rules Committee or a two-thirds vote on the floor.

(d) No bill the subject matter of which has been indefinitely postponed or made inexpedient to legislate in the Senate in the first-year session shall be admitted into the second-year session whether as a bill, an amendment, a committee of conference report or in any other manner;

(e) Legislation returned from the non-originating body, with an amendment, shall not be re-referred to Committee but shall have one of the following recommendations: Concur, Nonconcur, Nonconcur and Request a Committee of Conference.

17-B Committees of Conference.

(a) Whenever there be any disagreement between the Senate and the House on the content of any bill or resolution, and whenever both bodies, voting separately, have agreed to establish a committee of conference, the President of the Senate shall appoint three members to the Senate conference committee on the bill and the Speaker of the House shall appoint four members to the House conference committee. Exceptions: (1) the House committee of conference on the operating budget shall consist of five members; (2) the number of the members of the committees of conference on any bill may increase or decrease if the President and the Speaker both agree. The two committees of conference on a bill shall meet jointly but vote separately while in conference. A unanimous vote by both committees of conference shall be necessary for an agreed report to the Senate and the House by the committees of conference.

(b) The first-named person from the body where the bill or resolution in disagreement originated shall have the authority to call the time and place for the first meeting of the committees of conference on said bill.

(c) The first-named person on a committee of conference shall be the chairman of that conference. The chairman of the committee of conference of the body where the bill or resolution in disagreement originated shall chair the joint meeting of the committees of conference.

(d) No action shall be taken in either body on any committee of conference report earlier than some subsequent day, after the report has been delivered to the seats or placed on a member's desk. A committee of conference may neither change the title of any bill submitted to it nor add amendments which are not germane to the subject matter of the bill as originally submitted to it.

(e) Conference Committees on Budget Bills. The report of each committee of conference on either the general appropriation bill, or the capital improvements bill shall be printed in the journal or a supplement thereto of the appropriate body before action on said report is taken on the floor. Non-germane amendments, sections and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances. Notwithstanding the general provisions of paragraph (h) of this section, the Con-

ference Committee on general appropriations bill may propose new items for inclusion in said bill but no such item may be so included unless and until it shall have been returned to both the Senate and the House and adopted in identical form by a majority vote in each body.

(f) When both committees of conference on a concurrent resolution proposing an amendment to the constitution have agreed, the committee of conference from the body which acceded to a request for committees of conference shall file its report with the clerk of that body who shall print it in full in the journal or supplement of that body. The report shall be made a special order of business at the late session of a subsequent day. After said report has been adopted by the first body, a message shall be transmitted to the second body which shall then act upon the report of its committee of conference.

(g) A sponsor of any bill or joint resolution referred to committees of conference shall, upon his request, be granted a hearing before said committees prior to action thereon.

(h) No member of a committee of conference shall sign any report that contains non-germane amendments or subject matter that has been indefinitely postponed in either body. For the purposes of this rule, a non-germane amendment would be any subject matter not contained in either the House or the Senate version of the bill.

18. All resolutions which may require the signature of the Governor shall be treated in the same manner as bills.

19. Every bill shall have three readings in the Senate previous to its passage. The first and second readings shall be by title only which may be accomplished by a conglomerate resolution, after which the bill shall be referred by the President to the appropriate committee and shall be printed as provided in Rule 20, unless otherwise ordered by the Senate. No bill after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills and resolutions shall be in the late session unless otherwise ordered by the Senate. The orders of the day for the reading of bills shall hold for every succeeding day until disposed of.

20. After every bill shall have been read a second time, and referred by the President to the appropriate committee, the Clerk shall procure a sufficient number of copies, printed on paper of uniform size, for the use of the legislature, and cause the same to be distributed to the members, and when printed the bill shall be immediately delivered to the committee to which it shall have been referred. Bills received from the House shall be printed at the same stage of their procedure unless they have been printed in the House and copies distributed in the Senate, in which case any amendment made by the House shall be duplicated and distributed in the Senate.

21. No amendment shall be made but upon the second reading of a bill; and all amendments to bills and resolutions shall be in writing, with the name of the Senator and the district he represents thereon. No amendment to any bill shall be proposed or allowed at any time or by any source, including a committee of conference, except it be germane. Amendments shall have been reviewed by the Office of Legislative Services for form, construction, statutory and chapter reference.

22. A hearing shall be held upon each bill referred to a committee, and notice of such hearing shall be advertised at least (present 7 days) **5 days** before hearing in the Senate Calendar. The Senate Calendar shall be available on the World Wide Web for viewing as soon as it has been released for printing.

(a) All bills in the possession of committees shall be reported out with one of the following recommendations: ought to pass, ought to pass with amendment, *re-refer to committee*, inexpedient to legislate, or refer for interim study. Refer for interim study shall be a committee report only in the second year.

(b) Any legislation creating a chapter study committee shall have membership limited to members of the General Court.

23. When a bill is reported favorably with an amendment, the report of the committee shall state the amendment, and then recite the section of the bill in full as amended. The amendment shall be printed in the calendar of the Journal on the date that the report is listed for action. If no action is taken on that day, then the amendment shall be printed on the day to which the bill has been referred. All bills reported shall be laid upon the table and shall not be finally acted upon until the following legislative day, and a list of such bills with the report thereon shall be published in the Journal for the day on which action shall be taken.

24. Every bill and joint resolution appropriating money, which has been referred to another committee and favorably accepted by the Senate, shall be committed to the Finance Committee for review. If any such bills have been referred jointly to the Finance Committee and another standing committee, the Finance Committee may report separately and a further public hearing may be held at the discretion of the Finance Committee. All bills appropriating money, which are referred directly to the Finance Committee shall have a hearing. Any bill which has been referred to another committee and favorably accepted by the Senate, which has an economic impact on the state may be referred to the Committee on Economic Development for review. The Committee on Economic Development may hold a further public hearing at the discretion of the Committee.

25. All warrants, subpoenas and other processes issued by order of the Senate shall be under the hand and seal of the President attested by the Clerk.

26. All committees of the Senate, including Senate members on committees of conference, shall consist of members of both parties as nearly equal as possible, provided that on all committees, both parties shall be represented. The President shall appoint the members of all committees, after consulting with the minority leader.

27. The standing committees of the Senate shall be as follows: The Committee on Finance, Committee on Capital Budget, Committee on Ways & Means, Committee on Banks, Committee on (present Economic Development) **Energy and Economic Development,** Committee on Education, Committee on Environment, Committee on Executive Departments & Administration, Committee on Wildlife & Recreation, Committee on Insurance, Committee on Internal Affairs, Committee on Interstate Cooperation, Committee on Judiciary, Committee on Public Affairs, Committee on Public Institutions Health & Human Services, Committee on Rules & Enrolled Bills, and the Committee on Transportation.

28. Messages shall be sent to the House of Representatives by the Clerk of the Senate.

29. Messages from the Governor or House of Representatives may be received at all times, except when the Senate is engaged in putting the question, in calling the yeas and nays, or in counting the ballots.

30. All questions shall be put by the President, and each member of the Senate shall signify his assent or dissent by answering yea or nay. If the President doubts, or a division is called for, the Senate shall divide. Those in the affirmative on the question shall first rise from their seats and stand until they be counted. The President shall rise and state the decision of the Senate.

31. No person except members of the executive, or members of the House of Representatives and its officers, shall be admitted to the floor of the Senate, except by the invitation of the President, or some member with his consent.

32. The Senate shall adjourn to meet on the subsequent legislative day for the early session at the time mentioned in the adjournment motion. The late session shall immediately follow the early session unless the Senate shall otherwise order.

33. No standing rule of the Senate shall be suspended unless two-thirds of the members present vote in favor thereof. This rule shall not apply to Senate Rule 9.

34. No rule shall be rescinded unless two days notice of the motion has been given and two-thirds of those present vote therefor.

35. The Senate may resolve itself into a Committee of the Whole at any time on motion made for that purpose; and in forming a Committee of the Whole, the President shall leave the chair, and appoint a chairperson to preside in committee.

36. The President when performing the duties of the Chair may, at any time, name any member to perform the duties of the Chair.

37. The staff of the Senate shall be comprised of a clerk, an assistant clerk, a sergeant-at-arms, and a doorkeeper who are to be elected by the Senate, and such other personnel as the President shall appoint. The President shall define the duties of all members of the Senate staff which are not fixed by statute or otherwise ordered by the Senate.

38. Each member of the staff of the Senate shall be available on call to carry out the work of the Senate.

39. The committees shall promptly consider and report on all matters referred to them. The President may authorize such committees having a heavy load of investigation, re-drafting, research or amendments to meet as needed on non-legislative days during the legislative session. The Clerk of the Senate shall prepare a list by number, title and sponsor of all Senate bills and resolutions in committee which have not been acted upon within one week before the deadline established for the transfer of bills and resolutions from the Senate to the House of Representatives, and he/she shall distribute this list to every member of the Senate as soon as it is prepared.

40. Any appeal from the ruling of the presiding officer shall be decided by majority vote of the members present and voting.

41. No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

42. In all instances every member shall act in conformance with the duly adopted Ethical Guidelines and Opinions of the New Hampshire General Court.

43. Action on the floor of a report of the Committee on Finance or a Committee of Conference on either the general appropriations (budget) bill or the capital budget bill, shall not be taken by the Senate, until said report has been available from the Senate Clerk twenty-four hours in advance, in written form. Nongermane amendments and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances.

44. PERSONAL PRIVILEGE: A Senator may, as a matter of personal privilege, defend his/her position on a bill, his/her integrity, his/her record, or his/her conduct, against unfair or unwarranted criticism, or may speak of an issue which relates to his/her rights, privileges or conveniences as a Senator; provided, however, the matters raised under personal privilege shall not be subject to questioning, answer, or debate, by another Senator. Personal Privilege remarks may be included in the Daily Journal if requested by the Senator and in the Permanent Journal by vote of the Senate. A Senator may speak on other matters of his/her choosing and in such cases may be subject to questioning and/or answer according to the Rules of the Senate.

45. No officer or employee of the Senate during the session or any adjournment thereof shall purchase or contract for the purchase, pay or promise to pay any sum of money on behalf of the Senate or issue any requisition or manifest without the approval of the Senate President.

46. If a drafting request for a bill or resolution has been filed with the office of Legislative Services requiring a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the legislative budget assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal, provided that the identity of the sponsor shall not be disclosed.

DUTIES OF THE SPEAKER

1. The Speaker shall take the chair at precisely the hour to which the House has adjourned and shall immediately call the members to order. Members shall take their seats and shall activate their voting stations immediately. When they leave their seats for any reason they shall deactivate their stations.

2. The Speaker shall preserve decorum and order, may speak on points of order in preference to other members, and shall decide questions of order, subject to an appeal to the House by any two members. The appeal shall be decided by a majority vote of those members present and voting.

3. The Speaker shall appoint all committees unless otherwise directed by the House, subject to the provisions of Rule 28.

4. The Speaker shall refer all bills, resolutions, memorials, petitions, accounts, and other matters coming before the House to the appropriate committees, unless otherwise ordered by the House. Upon recommendation of the Committee on Rules, the Speaker may refer the same jointly to two committees or to a special committee.

5. The Speaker shall not be called on to vote unless the vote would be decisive. If the vote is tied after the Speaker has voted, the question shall be lost as provided in Rule 23.

6. The Speaker shall sign all bills, resolutions, and addresses after passage. All warrants, subpoenas and other processes issued by order of the House shall be signed by the Speaker and attested to by the Clerk.

7. The Speaker or chairman of the committee of the whole House shall have the power to order the gallery cleared in cases of any disturbance or disorderly conduct.

8. The Speaker shall sign all bills after enrollment in both bodies.

9. The Speaker shall have power to substitute any member to perform the duties of the Chair. If absent, the Speaker shall designate a member to perform the duties of the Chair unless otherwise ordered by the House.

DECORUM AND DEBATE

10. In all cases not provided for by the Constitution, House Rules or Joint Rules, *Mason's Manual of Legislative Procedure, 1*989 Edition, shall be referred to as the parliamentary guide.

11. When any member is about to speak in debate, make a motion, or deliver any matter to the House, the member shall rise from his or her seat and respectfully address the Speaker, declaring the purpose for which the member rises to speak.

12. In all cases the member rising first shall speak first. When two or more members rise at the same time, the Speaker shall name the person to speak. When many members choose to speak, they may file their names with the Clerk, who shall supply the list to the Speaker. The Speaker shall name the order in which the members shall speak.

13. No member shall speak more than twice on the same question without permission from the House. No member shall speak more than once until every member choosing to speak has spoken.

14. While the Speaker is putting a question or addressing the House, no one shall walk out of or across the House. While a member is speaking, no one shall pass between that member and the other members of the House, nor shall anyone engage in private conversation.

15. If any member transgresses the rules of the House, the Speaker shall, or any member may, call the member to order. The member called to order shall immediately sit down and the question of order shall be distinctly stated from the Chair. The decision of the Speaker on the question of order shall be conclusive unless the decision is immediately appealed to the House. 18. Before any petition is received and read, the substance of the petition shall be in concise form, and the name of the member or person presenting it and the member's district shall be recorded on the petition. The Speaker shall state the substance of the petition.

19. After a motion is stated by the Speaker, it shall be in possession of the House, but may be withdrawn at any time before an amendment.

(1) to adjourn;

(2) to lay on the table;

(3) for the previous question;

(4) to postpone to a certain day;
(5) to commit;
(6) to amend;
(7) to postpone indefinitely.

Motions to adjourn, to lay on the table, for the previous question, and to take from the table shall be decided without debate. A motion to postpone to a certain day shall be debatable both as to time and subject matter.

(b) No vote on a motion to lay on the table a Constitutional Amendment Concurrent Resolution shall pass unless approved by an affirmative vote of three-fifths of the entire House membership.

(c) When a question is postponed indefinitely, it shall not be acted on during the same session, unless two-thirds of those members present and voting vote in favor thereof.

(d) On a motion to amend, the refusal by the maker of the amendment to strike out words shall neither preclude amendment to such words nor a motion to strike out and insert.

(e) A motion for commitment shall preclude all amendments to the main question until it is decided; and all motions and reports may be committed at the pleasure of the House.

(f) No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

21. (a) The Speaker shall put the previous question in the following form: "Shall debate now be limited?" and all debate on the main question shall be suspended until the previous question has been decided. After the adoption of the previous question, the sense of the House shall forthwith be taken on pending amendments, in their regular order, and then on the main question. The motion for the previous question shall not be put unless demanded by three members.

(b) All incidental questions of order arising after a motion of the previous question and related to the subjects affected by the order of the previous question shall be decided without debate.

(c) If the previous question is decided in the negative, it shall not again be in order for the particular question under consideration until after adjournment, but the main question shall be left before the House and disposed of as though the previous question had not been put.

22. (a) There shall be three forms of putting the question: voice vote, division vote, roll call vote. No member shall vote in any case when the member was not present when the question was put.

(b) The question put by voice vote shall be: "All those in favor of the question say 'aye,'" and after the affirmative vote is expressed, "Those of a contrary opinion say 'no.'"

(c) A division vote shall be taken if the Speaker doubts the voice vote or if a member calls for a division vote. When a division of the House is taken, the Speaker may appoint a teller for each seating division of the House, who shall report to the Chair the state of the vote.

(d) A roll call shall be taken when a member moves for a roll call vote and that motion is seconded by 10 other members. The member requesting the roll call vote and the 10 members who second the motion shall notify the speaker in writing or shall rise from their seats or otherwise be recognized by the Speaker.

(e) When a division or a roll call is taken, the Speaker shall put the question and open the voting stations for not more than 30 seconds. Each member present at his or her voting station shall press either the YES (Green) or NO (Red) button unless excused by the House for a special reason. After closing the vote, the Speaker shall rise and state the decision of the House.

(f) Any member may call for a division of the question when the sense will admit it.

23. In case of a tie vote, the question shall be lost.

24. No member shall leave his or her seat while the voting machine is in use and until the Speaker announces the result of the vote.

25. (a) No vote shall be reconsidered unless the motion for reconsideration is made by a member who voted with the prevailing side while the bill or resolution is in the possession of the House. Reconsideration of any bills subject to a transfer date established by joint rules must be acted upon on or before the joint rule deadline, and thereafter shall be null and void.

(b) Notice of a motion for reconsideration shall be in order only until noon on the next business day after the date that the vote was taken.

(c) Any such notice of reconsideration shall be effective for two legislative days only and thereafter shall be null and void.

(d) The day when notice is served shall be counted as the first legislative day, even if notice occurs while the House is in recess or adjournment.

(e) When notice of reconsideration is received by the House, the Clerk of the House shall hold the bill or resolution relative to which such notice has been served until the expiration of the time within which such notice is effective.

26. When the reading of a paper or a document is objected to by a member, the question shall be determined by a vote of the House without debate.

27. All members shall seasonably and punctually attend to their duties in the House or committee, and no one shall be absent from the service of the House or committee unless the member has leave, or is sick and unable to attend.

The new committee's duty shall be to take into consideration all matters in relation to the subject which has been referred to it by the House, and to report thereon.

BILLS

35. (a) Rule 64 shall set the first day to file requests for drafting of bills with the Office of Legislative Services, including all supplementary or necessary drafting information, for introduction in the first-year or second-year session. The Office of Legislative Services shall identify

LSRs in language which makes clear the intent of the bill. LSRs, with the name(s) of the sponsor(s), shall be published by the Office of Legislative Services. The Speaker of the House shall adjudicate any disagreement concerning the publication of LSRs that may arise between bill sponsors and the Office of Legislative Services.

(b) The Office of Legislative Services shall not accept a request to draft any bill which is the same, or essentially the same, as any other drafting request already accepted in the same session. If duplicate or similar legislation is requested, the Director of Legislative Services shall notify the sponsors of each filing request and mediate an agreement for the filing of a single bill. Filing requests resulting from legislative committee work shall take precedence over all other duplicate or similar filings. The name of the House member whose LSR request is denied due to duplication may be substituted on request for that of the original sponsor if the original sponsor withdraws the drafting request prior to the sign-off deadline.

(c) Notwithstanding (a) and (b), any member may have legislation drafted and introduced upon receiving approval of a majority vote of the House Rules Committee or by a two-thirds vote of those House members present and voting.

(d) **First-year session:**

In the first-year session, there shall be no limitation on the subject matter of legislation introduced. As soon as possible after the end of the first-year session, the Clerk shall publish in the House Calendar those bills voted inexpedient to legislate, indefinitely postponed or re-referred in the first-year session, and those bills which created study committees with November 1 reporting deadlines. The listings shall be in numerical order by bill number/title, and in committee order by bill number/title.

(e) **Second-year session:**

In the second-year session, no bill or resolution shall be introduced if it is substantially similar to any legislation which was indefinitely postponed or voted inexpedient to legislate by the House in the first-year session, unless it has been approved by a majority of the House Rules Committee or a two-thirds vote of those House members present and voting, whether as a bill, an amendment, a committee of conference report or in any other manner. A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill voted inexpedient to legislate, indefinitely postponed, re-referred, or made the subject of a statutory study committee in the first-year session unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of those House members present and voting.

36. (a) All petitions, memorials, and other papers addressed to the House and all bills and resolutions to be introduced in the House, except those house resolutions not taking a policy position which are prepared by the Clerk of the House, shall be delivered or caused to be delivered to the Office of Legislative Services by the member presenting them. The Office of Legislative Services shall prepare those bills, resolutions, petitions, memorials and other papers in proper form and shall present them to the member(s) for signature. Legislative Services shall give precedence in drafting legislation to any measure which carries a fiscal note and all such legislation shall be prepared for signature by the sponsor by the date specified in Rule 64.

(b) All bills, resolutions, petitions, memorials and other papers addressed to the House, shall be endorsed with the name and the district of the legislator presenting them. All legislation shall be numbered serially according to type of legislation introduced. Each bill shall be marked on the first page "House Bill"; each joint resolution shall be marked "House Joint Resolution"; other concurrent resolutions shall be marked "House Concurrent Resolution"; and each house resolution shall be marked "House Resolution."

(c) When a bill is proposed by any state agency, the name of the agency proposing it shall appear in the bill analysis.

(d) No LSR number shall be assigned and no House bill shall be drafted unless the LSR or bill has a House sponsor. No more than 5 House members shall be allowed to sponsor any bill or floor amendment. No more than 5 Senate members shall be allowed to co-sponsor legislation originating in the House. If more than five House members wish to be sponsors, the person who first requested the drafting of the bill, house resolution, concurrent resolution, joint resolution, or constitutional amendment-concurrent resolution shall determine the names of the 4 co-sponsors whose signatures are required for introduction. Other House members may be added as co-sponsors by notifying the Clerk prior to the date of the first public hearing on the proposal, and their names shall be recorded in the permanent journal of that session.

(e) If a drafting request for a bill or resolution, filed with the Office of Legislative Services, requires a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the Legislative Budget Assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal.

(f) For the purposes of these rules, money bills are those that either appropriate money or affect state revenues, whether new or existing.

37. Every request by a member of the House for drafting a bill, house resolution taking a policy position, concurrent resolution, constitutional amendment-concurrent resolution, or joint resolution other than the general budget or the capital budget bill, shall be accepted by the Office of Legislative Services for processing no later than the date specified by Rule 64. Each request shall be accompanied by sufficient information necessary for drafting. This deadline shall not apply to house resolutions which do not propose policy positions. Such resolutions may be accepted for drafting by the Office of Legislative Services at any time.

38. (a) The sign-off deadlines set by Rule 64 shall supersede the time limits set forth in this Rule.

(b) The sponsor of any legislation shall sign it for introduction within 10 calendar days after the draft legislation is mailed to the sponsor for approval, whether or not the fiscal note has been prepared. If the 10th day falls on a Saturday, Sunday, or holiday, the 10-day period shall expire on the subsequent working day. The sponsor's name shall be published at least once on the "signatures needed" list in the House Calendar within the sign-off period. If the sponsor requests a redraft within the sign-off period, the sponsor shall sign the legislation for introduction within 10 calendar days after the redraft has been mailed to the sponsor. No more than one redraft per LSR may be requested during the last 10 days prior to the sign off-deadline. The sign-off deadline in section (a) shall supersede the time limits set forth in this section.

(c) If the primary sponsor signs the legislation in time for introduction, but one or more co-sponsors fails to sign, the legislation shall be introduced in the names of those sponsors who have signed. If the primary sponsor fails to sign the legislation in time for introduction, a co-sponsor may become the primary sponsor. If the primary sponsor fails to sign, and no co-sponsor wishes to become the primary sponsor, the legislation may not be introduced without suspension of this rule.

(d) An LSR may be withdrawn at any time prior to its introduction with the consent of all of its sponsors. Any sponsor may request that his or her name be deleted as a sponsor of the bill prior to its introduction.

39. All joint resolutions shall be treated in the same manner as bills.

40. All House Bills, House Joint Resolutions, House Concurrent Resolutions and House Resolutions proposing that the House take a policy position may be introduced at any time prior to any deadline established by the House for their introduction. Exceptions:

(a) Notwithstanding any other provisions of the Rules, a House Bill, House Joint Resolution, or House Concurrent Resolution may be introduced into the House at any time prior to the crossover date specified in Rule 64, if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor; and

(b) House Resolutions proposing that the House take a policy position may be introduced into the House at any time after the deadline for introduction of bills and resolutions if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor.

41. Every bill, resolution, joint resolution, and concurrent resolution proposing that the House take a policy position shall have three separate readings in the House prior to its passage. The first and second readings and referral to committee shall be by title only which may be accomplished by a conglomerate motion, after which the bill shall be referred by the Speaker to the appropriate committee and shall be printed as provided in Rule 42, unless otherwise ordered by the House. No bill or resolution after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills, resolutions, and joint resolutions shall be in the late session unless otherwise ordered by the House. The orders of the day for the reading of bills shall hold for every succeeding day until disposed.

42. After each bill has been numbered and referred by the Speaker to the appropriate committee, the Clerk shall provide a copy to the committee chairman and procure a sufficient number of copies for distribution.

43. A hearing shall be held on each bill referred to a committee. Notice of committee action shall be posted as follows:

(a) Public hearings shall be advertised in the House Calendar no less than 4 days prior to a hearing.

(b) Executive sessions shall be advertised in the House Calendar no less than 2 days prior to committee action or announced on the floor of the House by the Chairman of the appropriate committee.

(c) All other committee or subcommittee meetings at which decisions are made or information is received shall be advertised in the House Calendar or, if scheduled after the calendar deadline, shall be posted in the Clerk's Office and outside the committee room at least 24 hours prior to the meeting.

(d) When requested by the President of the Senate, the Speaker may authorize and direct the appropriate House committee or committees to sit with the appropriate Senate committee or committees at a public

hearing of any Senate bill, and no further public hearing on such bill shall be required when such bill is received subsequently in the House from the Senate.

44. (a) All bills in the possession of committees shall be reported out by the date specified in Rule 64 with one of the following recommendations: Ought to Pass, Ought to Pass with Amendment, Re-refer to Committee, Inexpedient to Legislate, Refer for Interim Study, or Recommended but to be Laid Upon the Table Because of Funding. Re-refer to Committee shall be a committee report only in the first-year session; Refer for Interim Study shall be a committee report only in the second-year session. The Committee, as its Interim Study final report, shall submit its findings and any recommendations.

(b) All committee reports on bills shall be printed in the House Calendar at least once prior to the date listed for floor action. If a bill is reported favorably with an amendment, the committee report shall describe the bill as amended. The amendment shall be printed in the House Calendar.

(c) If a bill is reported Re-refer to Committee, it shall read Re-refer to Committee for action in the second-year session. The report on a re-referred bill shall contain an explanation of the issue(s) which require(s) review. Bills which have been re-referred to the Finance Committee may be referred by the Speaker to the original committee to which it was assigned when the House adjourned from the first session. All bills re-referred in the first-year session shall be acted on by the third legislative day of the second-year session.

(d) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a violation of Part I, Article 28-a of the N.H. Constitution. The vice chairman or another member of each committee shall review all pending legislation and shall advise the chairman and the members of all legislation before the committee which should be reviewed in terms of this Rule.

45. (a) No amendment shall be made until the second reading of a bill. All amendments to bills shall be prepared by the Office of Legislative Services, with the name of the member and the district represented by the member or the name of the policy committee proposing the amendment.

(b) No amendment shall be added to any bill, resolution, joint resolution or concurrent resolution which is not germane to the subject matter of the legislative document as referred to the Committee, unless the amendment has been the subject of a duly noticed public hearing advertised in the House Calendar or, if scheduled after the calendar dead-

line, posted in the Clerk's Office and outside the committee room at least 24 hours prior to the meeting. Copies of the amendment shall be available at the Sergeant-at-Arms office at least 24 hours prior to the scheduled hearing.

(c) When a bill comes before the House, the body shall first consider the printed majority report of the committee. The Speaker shall not permit a motion to substitute any permitted alternative report for the Committee Report until the House has properly disposed of the majority report.

46. (a) All bills and joint resolutions appropriating state money, which have been reported favorably from any committee, shall be referred to the Committee on Finance. If such bills have been referred to the Committee on Finance after report by another standing committee, the Committee on Finance may report separately and no further hearings shall be required by the Committee on Finance. Hearings on bills assigned to the Committee on Finance may at the discretion of the chairman be assigned to and held by the division of the committee to which the bill is assigned and no further hearing may be required.

(b) All bills and resolutions affecting state revenues or fees shall, if approved by the House when reported from the Committee on Local and Regulated Revenues, be referred to the Committee on Finance. Any bill or resolution establishing, amending, or repealing a state fee established in statute, excluding professional licensing fees, shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Finance.

(c) All bills and resolutions addressing licensure and/or certification shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such a bill or resolution. All those bills requiring agencies to adopt rules pursuant to RSA 541-A shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such bill or resolution on rulemaking pursuant to RSA 541-A.

(d) All bills and resolutions affecting criminal penalties, if approved by the House when reported by the appropriate policy committee, shall be referred to the Committee on Criminal Justice and Public Safety.

(e) The chairmen of committees receiving a bill or referral as outlined in this rule with the approval of the Speaker may decline the referral of any bill from another committee or, notwithstanding the provisions of Rule 43 (a), waive the public hearing on any bill referred from another committee.

47. Any budget bill reported by the Committee on Finance shall contain a balanced spending plan. In the second-year session, the Committee on Finance shall hold hearings on proposed changes to the State spending plan for the current biennium and may submit a supplemental budget bill.

48. (a) There shall be a detailed briefing on the general budget bill presented to the House at least two days before final action is taken on such a bill and, in any event, not later than the deadline established in Rule 64.

(b) There shall be a detailed briefing on Senate changes to the House version of the general budget bill presented to the House membership by the second session day after the establishment of a Committee of Conference. The purpose of such a briefing will be to inform the House of the Senate position on the bill and to provide a sense of the House on that position as advisory guidance to the House conferees.

49. (a) Committee-of-Conference reports shall be distributed to be acted on on some subsequent day.

(b) No member of a Committee of Conference shall sign any report which contains non-germane amendments or subject matter that has been indefinitely postponed in either house. For the purpose of this rule, a non-germane amendment is any subject matter not contained in either the House or Senate version of the bill.

(c) A Committee-of-Conference-report analysis prepared by the first-named House member shall be printed in the House Calendar.

(d) A Committee-of-Conference report may be placed on the Consent Calendar only by a unanimous vote of all House conferees.

50. All committees must report all bills referred to them seven days prior to any deadline for the House to take action unless otherwise provided in Rule 64. Any bill not reported shall be placed on the calendar by the Speaker with a report of No Recommendation and the reference to committee shall be revoked.

51. No bill shall be on a Consent Calendar unless the committee to which the bill was referred approves its placement on the Consent Calendar by a unanimous vote in executive session. Any member may request removal of any bill listed on the Consent Calendar. Any bill removed from the Consent Calendar shall be taken up at the conclusion of the Regular Calendar. All matters remaining on the Consent Calendar shall be acted upon without debate.

52. No standing rule of the House shall be suspended unless two-thirds of the members present vote in favor thereof. A motion to suspend the rules is debatable.

53. No rule shall be rescinded unless two days notice of a motion has been given and two-thirds of House members present vote therefor.

COMMITTEE OF THE WHOLE HOUSE

54. The House may resolve itself into a committee of the whole at any time on the motion of a member made for that purpose. In forming a committee of the whole House, the Speaker shall leave the chair, and a chairman to preside in committee shall be appointed by the Speaker.

55. When a bill or a resolution is committed to a committee of the whole House, the entire bill or resolution shall first be read by the Clerk, and then again read and debated by clauses, leaving the preamble of the bill to be considered last. The body of the bill or resolution shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Clerk on a separate paper, as they are agreed to by the committee and so reported to the House. After reporting, the bill or resolution shall again be subject to debate and amendment by clauses before a question to pass it to a third reading is taken.

56. The rules of proceeding in the House shall be observed in the committee of the whole House, as far as they may be applicable, except the rule limiting the time of speaking.

ORDER OF BUSINESS

57. (a) The order of business in the early session shall be as follows:

(c) The order of business listed in this rule shall be adhered to unless otherwise ordered by a majority of those members of the House present and voting.

(d) Leaves of absence may be granted by the House at any time.

58. The unfinished business in which the House was engaged at the last preceding adjournment, if called for by any member, shall have preference over all other business except the general order of the day; and no motion, or any other business except the general order of the day, shall be received without special leave of the House, until the former is disposed.

MEMBERS AND PERSONNEL

59. The elected and appointed non-member officers and personnel of the House shall be under the direction of the Speaker, who shall define their duties not fixed by statute or otherwise ordered by the House.

60. No officer or employee of the House during the session or any adjournment thereof shall purchase or contract to purchase, pay or promise to pay any sum of money on behalf of the House or issue any requisition or manifest without securing the approval in writing of the Speaker of the House or designee.

61. The Speaker may appoint an individual trained and experienced in security matters or law enforcement work, who, under the supervision and direction of the Speaker, shall prevent the deliberations of the House from being disrupted or interfered with by any person or persons not members thereof.

62. No employee or attaché of the House Sergeant-at-Arms shall, directly or indirectly, be personally involved with or attempt to influence the passage or consideration of any measure whatsoever. If any such employee or attaché becomes involved with any such measure, it shall be grounds for summary dismissal.

Any person in violation of this rule shall be subject to ejection from any such premises on the order of the Speaker and disciplinary action or arrest or both by action of the House. Nothing in this rule shall indicate that the security officer appointed by the House under Rule 61 has the right to stop and search a member of the House on the premises of the House.

64. Legislative action in the first-year session shall be subject to the following deadlines:

December 15, 1998, Tuesday	Last day to file LSRs with complete information.
January 28, 1999, Thursday	Last day to sign-off all bills.

DEFINITIONS

RESOLUTIONS

Resolutions are the formal expressions of the opinions and wishes of the legislature. There are four types: joint resolutions, concurrent resolutions, simple resolutions, and constitutional amendment-concurrent resolutions (CACRs). Joint resolutions, concurrent resolutions and CACRs must be approved by both branches of the legislature, while simple resolutions are considered only by the body of introduction. All resolutions take effect upon passage, so they often are used to meet emergency situations.

(a) ***JOINT RESOLUTION*:**

A joint resolution is one which has the force and effect of law, and as such must pass both the house and senate and be signed by the governor. The constitution. Pt. II, Art. 45, provides that joint resolutions shall be treated as bills.

Joint resolutions are introduced and considered in the same manner as bills, except that they can only be used for temporary provisions. Joint resolutions cannot be used to amend the public or private laws of New Hampshire (the RSA or the session laws). but they can be used to appropriate money for limited purposes; to establish temporary study committees; and to make adjustments in the state retirement system for certain individuals. Because a joint resolution is effective upon passage, it is useful for supplemental or deficiency appropriations, but such appropriations may not extend beyond the second fiscal year of the biennium. As with other appropriations. if a resolution makes an appropriation from the general fund the governor must be authorized to draw [~~his~~] a warrant for the sums appropriated.

(b) ***CONCURRENT RESOLUTION:***

A concurrent resolution is acted on by the house or senate and sent to the other house for approval but is not sent to the governor for signature. Therefore, it does not have the effect of a law, and it is important to note that it can not be used to appropriate money. Concurrent resolutions may be used to put the legislature on record as supporting or disavowing some aspect of national or state policy. Also, a concurrent resolution may be utilized to express appreciation to some individual or group.

(c) ***SIMPLE RESOLUTION***:

A simple resolution is one which is considered by the legislative body in which it s introduced and is of interest to only that body. Neither house nor senate resolutions have the effect of law. They are written to show appreciation to some individual or group, to ask the supreme court for an advisory opinion on a bill originating in that body, to express sympathy for an individual's death or illness, or, in a lighter vein, to commemorate an event affecting one of the members.

(d) ***CONSTITUTIONAL AMENDMENT-CONCURRENT RESOLUTION***:

An amendment to the constitution may be proposed by the legislature, as well as a constitutional convention. N.H. Const. Pt. 2, Art. 100. Each body must approve the CACR by a three-fifths vote of the entire membership, then be submitted to the voters at the next biennial November election. The CACR must be approved by two-thirds of the qualified voters present and voting.

PART FIRST
BILL OF RIGHTS

Article I. [Equality of Men; Origin and Object of Government.]. All men are born equally free and independent; therefore, all government of right originates from the people, is founded in consent, and instituted for the general good.

June 2, 1784*

[Art.] 2. [Natural Rights.] All men have certain natural, essential, and inherent rights - among which are, the enjoying and defending life and liberty; acquiring, possessing, and protecting, property; and, in a word, of seeking and obtaining happiness. Equality of rights under the law shall not be denied or abridged by this state on account of race, creed, color, sex or national origin.

June 2, 1784

Amended 1974 adding sentence to prohibit discrimination.

[Art.] 2-a. [The Bearing of Arms.]. All persons have the right to keep and bear arms in defense of themselves, their families, their property and the state.

December 1, 1982

[Art.] 3. [Society, its Organization and Purposes.] When men enter into a state of society, they surrender up some of their natural rights to that society, in order to ensure the protection of others; and, without such an equivalent, the surrender is void.

June 2, 1784

[Art.] 4. [Rights of Conscience Unalienable.] Among the natural rights, some are, in their very nature unalienable, because no equivalent can be given or received for them. Of this kind are the Rights of Conscience.

June 2, 1784

[Art.] 5. [Religious Freedom Recognized.] Every individual has a natural and unalienable right to worship God according to the dictates of his own conscience, and reason; and no subject shall be hurt, molested, or restrained, in his person, liberty, or estate, for worshipping God in the manner and season most agreeable to the dictates of his own conscience; or for his religious profession, sentiments, or persuasion; provided he doth not disturb the public peace or disturb others in their religious worship.

June 2, 1784

* The date on which each article was proclaimed as having been adopted is given after each article. This is followed by the year in which amendments were adopted and the subject matter of all the amendments.

[Art.] 6. [Morality and Piety.] As morality and piety, rightly grounded on high principles, will give the best and greatest security to government, and will lay, in the hearts of men, the strongest obligations to due subjection; and as the knowledge of these is most likely to be propagated through a society, therefore, the several parishes, bodies, corporate, or religious societies shall at all times have the right of electing their own teachers, and of contracting with them for their support or maintenance, or both. But no person shall ever be compelled to pay towards the support of the schools of any sect or denomination. And every person, denomination or sect shall be equally under the protection of the law; and no subordination of any one sect, denomination or persuasion to another shall ever be established.

June 2, 1784

Amended 1968 to remove obsolete sectarian references.

[Art.] 7. [State Sovereignty.] The people of this state have the sole and exclusive right of governing themselves as a free, sovereign, and independent state; and do, and forever hereafter shall, exercise and enjoy every power, jurisdiction, and right, pertaining thereto, which is not, or may not hereafter be, by them expressly delegated to the United States of America in congress assembled.

June 2, 1784

[Art.] 8. [Accountability of Magistrates and Officers; Public's Right to Know.] All power residing originally in, and being derived from, the people, all the magistrates and officers of government are their substitutes and agents, and at all times accountable to them. Government, therefore, should be open, accessible, accountable and responsive. To that end, the public's right of access to governmental proceedings and records shall not be unreasonably restricted.

June 2, 1784

Amended 1976 by providing right of access to governmental proceedings and records.

[Art.] 9. [No Hereditary Office or Place.] No office or place, whatsoever, in government, shall be hereditary - the abilities and integrity requisite in all, not being transmissible to posterity or relations.

June 2, 1784

[Art.] 10. [Right of Revolution.] Government being instituted for the common benefit, protection, and security, of the whole community, and not for the private interest or emolument of any one man, family, or class of men; therefore, whenever the ends of government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the people may, and of right

ought to reform the old, or establish a new government. The doctrine of nonresistance against arbitrary power, and oppression, is absurd, slavish, and destructive of the good and happiness of mankind.

June 2, 1784

[Art.] 11. [Elections and Elective Franchises.] All elections are to be free, and every inhabitant of the state of 18 years of age and upwards shall have an equal right to vote in any election. Every person shall be considered an inhabitant for the purposes of voting in the town, ward, or unincorporated place where he has his domicile. No person shall have the right to vote under the constitution of this state who has been convicted of treason, bribery or any willful violation of the election laws of this state or of the United States; but the supreme court may, on notice to the attorney general, restore the privilege to vote to any person who may have forfeited it by conviction of such offenses. The general court shall provide by law for voting by qualified voters who at the time of the biennial or state elections, or of the primary elections therefor, or of city elections, or of town elections by official ballot, are absent from the city or town of which they are inhabitants, or who by reason of physical disability are unable to vote in person, in the choice of any officer or officers to be elected or upon any question submitted at such election. Voting registration and polling places shall be easily accessible to all persons including disabled and elderly persons who are otherwise qualified to vote in the choice of any officer or officers to be elected or upon any question submitted at such election. The right to vote shall not be denied to any person because of the non-payment of any tax. Every inhabitant of the state, having the proper qualifications, has equal right to be elected into office.

Amended 1984 to provide accessiblity to all registration and polling places.

[Art.]12. [Protection and Taxation Reciprocal.] Every member of the community has a right to be protected by it, in the enjoyment of his life, liberty, and property; he is therefore bound to contribute his share in the expense of such protection, and to yield his personal service when necessary. But no part of a man's

property shall be taken from him, or applied to public uses, without his own consent, or that of the representative body of the people. Nor are the inhabitants of this state controllable by any other laws than those to which they, or their representative body, have given their consent.

June 2, 1784

Amended 1964 by striking out reference to buying one's way out of military service.

[Art.] 13. [Conscientious Objectors not Compelled to Bear Arms.] No person, who is conscientiously scrupulous about the lawfulness of bearing arms, shall be compelled thereto.

June 2, 1784

Amended 1964 by striking out reference to buying one's way out of military service.

[Art.] 14. [Legal Remedies to be Free, Complete, and Prompt.] Every subject of this state is entitled to a certain remedy, by having recourse to the laws, for all injuries he may receive in his person, property, or character; to obtain right and justice freely, without being obliged to purchase it; completely, and without any denial; promptly, and without delay; conformably to the laws.

June 2, 1784

[Art.] 15. [Right of Accused.] No subject shall be held to answer for any crime, or offense, until the same is fully and plainly, substantially and formally, described to him; or be compelled to accuse or furnish evidence against himself. Every subject shall have a right to produce all proofs that may be favorable to himself; to meet the witnesses against him face to face, and to be fully heard in his defense, by himself, and counsel. No subject shall be arrested, imprisoned, despoiled, or deprived of his property, immunities, or privileges, put out of the protection of the law, exiled or deprived of his life, liberty, or estate, but by the judgment of his peers, or the law of the land; provided that, in any proceeding to commit a person acquitted of a criminal charge by reason of insanity, due process shall require that clear and convincing evidence that the person is potentially dangerous to himself or to others and that the person suffers from a mental disorder must be established. Every person held to answer in any crime or offense punishable by deprivation of liberty shall have the right to counsel at the expense of the state if need is shown; this right he is at liberty to waive, but only after the matter has been thoroughly explained by the court.

June 2, 1784

Amended 1966 to provide the right to counsel at state expense if the need is shown.

Amended 1984 reducing legal requirement proof beyond a reasonable doubt to clear and convincing evidence in insanity hearings.

[Art.] 16. [Former Jeopardy; Jury Trial in Capital Cases.] No subject shall be liable to be tried, after an acquittal, for the same crime or offense. Nor shall the legislature make any law that shall subject any person to a capital punishment, (excepting for the government of the army and navy, and the militia in actual service) without trial by jury.

June 2, 1784

[Art.] 17. [Venue of Criminal Prosecutions.] In criminal prosecutions, the trial of facts, in the vicinity where they happened, is so essential to the security of the life, liberty and estate of the citizen, that no crime or offense ought to be tried in any other county or judicial district than that in which it is committed; except in any case in any particular county or judicial district, upon motion by the defendant, and after a finding by the court that a fair and impartial trial cannot be had where the offense may be committed, the court shall direct the trial to a county or judicial district in which a fair and impartial trial can be obtained.

June 2, 1784

Amended 1792 to change "assembly" to: legislature.

Amended 1978 so that court at defendant's request may change trial to another county or judicial district.

[Art.] 18. [Penalties to be Proportioned to Offenses; True Design of Punishment.] All penalties ought to be proportioned to the nature of the offense. No wise legislature will affix the same punishment to the crimes of theft, forgery, and the like, which they do to those of murder and treason. Where the same undistinguishing severity is exerted against all offenses, the people are led to forget the real distinction in the crimes themselves, and to commit the most flagrant with as little compunction as they do the lightest offenses. For the same reason a multitude of sanguinary laws is both impolitic and unjust. The true design of all punishments being to reform, not to exterminate mankind.

June 2, 1784

Amended 1792 deleting "those of" after do in 3d sentence and changing "dye" to: offenses.

[Art.] 19. [Searches and Seizures Regulated.] Every subject hath a right to be secure from all unreasonable searches and seizures of his person, his houses, his papers, and all his possessions. Therefore, all warrants to search suspected places, or arrest a person for examination or trial in prosecutions for criminal matters, are contrary to this right, if the cause or foundation of them be not previously supported by oath or affirmation; and if the order, in a warrant to a civil officer, to make search in suspected places, or to arrest one or more suspected persons or to seize their property, be not accompanied with a special designation of the persons or objects of search, arrest, or seizure; and no warrant ought to be issued; but in cases and with the formalities, prescribed by law.

June 2, 1784

Amended 1792 to change order of words.

[Art.] 20. [Jury Trial in Civil Causes.] In all controversies concerning property, and in all suits between two or more persons except those in which another practice is and has been customary and except those in which the value in controversy does not exceed $1,500 and no title to real estate is involved, the parties have a right to a trial by jury. This method of procedure shall be held sacred, unless, in cases* arising on the high seas and in cases relating to mariners' wages, the legislature shall think it necessary hereafter to alter it.

June 2, 1784

Amended in 1877 to prohibit jury trials unless the amount in controversy exceeds $100.

Amended in 1960 to increase the amount to $500 before a jury trial may be requested.

*"Cases" appears in 1792 parchment copy of constitution. Original constitution had "causes."

Amended in 1988 to change $500 to $1,500

[Art.] 21. [Jurors; Compensation.] In order to reap the fullest advantage of the inestimable privilege of the trial by jury, great care ought to be taken, that none but qualified persons should be appointed to serve; and such ought to be fully compensated for their travel, time and attendance.

June 2, 1784

[Art.] 22. [Free Speech; Liberty of the Press.] Free speech and liberty of the press are essential to the security of freedom in a state: They ought, therefore, to be inviolably preserved.

June 2, 1784

Amended 1968 to include free speech.

[Art.] 23. [Retrospective Laws Prohibited.] Retrospective laws are highly injurious, oppressive, and unjust. No such laws, therefore, should be made, either for the decision of civil causes, or the punishment of offenses.

June 2, 1784

[Art.] 24. [Militia.] A well regulated militia is the proper, natural, and sure defense, of a state.

[Art.] 26. [Military Subject to Civil Power.] In all cases, and at all times, the military ought to be under strict subordination to, and governed by, the civil power.

June 2, 1784

[Art.] 27. [Quartering of Soldiers.] No soldier in time of peace, shall be quartered in any house, without the consent of the owner; and in time of war, such quarters ought not to be made but by the civil authorities in a manner ordained by the legislature.

June 2, 1784

Amended in 1980 substituting "authorities" for "magistrate."

[Art.] 28. [Taxes, by Whom Levied.] No subsidy, charge, tax, impost, or duty, shall be established, fixed, laid, or levied, under any pretext whatsoever, without the consent of the people, or their representatives in the legislature, or authority derived from that body.

June 2, 1784

[Art.] 28-a. [Mandated Programs.] The state shall not mandate or assign any new, expanded or modified programs or responsibilities to any political subdivision in such a way as to necessitate additional local expenditures by the political subdivision unless such programs or responsibilities are fully funded by the state or unless such programs or responsibilities are approved for funding by a vote of the local legislative body of the political subdivision.

November 28, 1984

[Art.] 29. [Suspension of Laws by Legislature Only.] The power of suspending the laws, or the execution of them, ought never to be exercised but by the legislature, or by authority derived therefrom, to be exercised in such particular cases only as the legislature shall expressly provide for.

June 2, 1784

[Art.] 30. [Freedom of Speech.] The freedom of deliberation, speech, and debate, in either house of the legislature, is so essential to the rights of the people, that it cannot be the foundation of any action, complaint, or prosecution, in any other court or place whatsoever.

[Art.] 31. [Meetings of Legislature, for What Purposes.] The legislature shall assemble for the redress of public grievances and for making such laws as the public good may require.

June 2, 1784

[Art.] 32. [Rights of Assembly, Instruction, and Petition.] The people have a right, in an orderly and peaceable manner, to assemble and consult upon the com-

mon good, give instructions to their representatives, and to request of the legislative body, by way of petition or remonstrance, redress of the wrongs done them, and of the grievances they suffer.

June 2, 1784

[Art.] 33. [Excessive Bail, Fines, and Punishments Prohibited.] No magistrate, or court of law, shall demand excessive bail or sureties, impose excessive fines, or inflict cruel or unusual punishments.

June 2, 1784

[Art.] 34. [Martial Law Limited.] No person can, in any case, be subjected to law martial, or to any pains or penalties by virtue of that law, except those employed in the army or navy, and except the militia in actual service, but by authority of the legislature.

June 2, 1784

[Art.] 35. [The Judiciary; Tenure of Office, etc.] It is essential to the preservation of the rights of every individual, his life, liberty, property, and character, that there be an impartial interpretation of the laws, and administration of justice. It is the right of every citizen to be tried by judges as impartial as the lot of humanity will admit. It is therefore not only the best policy, but for the security of the rights of the people, that the judges of the supreme judicial court should hold their offices so long as they behave well; subject, however, to such limitations, on account of age, as may be provided by the constitution of the state; and that they should have honorable salaries, ascertained and established by standing laws.

June 2, 1784

Amended 1792 to provide for age limitation as provided by the constitution.

All of the assets and proceeds, and income therefrom, of the New Hampshire retirement system and of any and all other retirement systems for public officers and employees operated by the state or by any of its political subdivisions, and of any successor system, and all contributions and pay-

ments made to any such system to provide for retirement and related benefits shall be held, invested or disbursed as in trust for the exclusive purpose of providing for such benefits and shall not be encumbered for, or diverted to, any other purposes.

November 28, 1984

[Art.] 37. [Separation of Powers.] In the government of this state, the three essential powers thereof, to wit, the legislative, executive, and judicial, ought to be kept as separate from, and independent of, each other, as the nature of a free government will admit, or as is consistent with that chain of connection that binds the whole fabric of the constitution in one indissoluble bond of union and amity.

June 2, 1784

[Art.] 38. [Social Virtues Inculcated.] A frequent recurrence to the fundamental principles of the constitution, and a constant adherence to justice, moderation, temperance, industry, frugality, and all the social virtues, are indispensably necessary to preservethe blessings of liberty and good government; the people ought, therefore, to have a particular regard to all those principles in the choice of their officers and representatives, and they have a right to require of their lawgivers and magistrates, an exact and constant observance of them, in the formation and execution of the laws necessary for the good administration of government.

[Art.] 97. [Value of Money, How Computed.] (Repealed)

June 2, 1784. Money valued at 6 shillings 8 pence per ounce of silver.

Repealed 1950.

[Art.] 98. [Constitution, When to Take Effect.] To the end that there may be no failure of justice, or danger to the state, by the alterations and amendments made in the constitution, the general court is hereby fully authorized and directed to fix the time when the alterations and amendments shall take effect, and make the necessary arrangements accordingly.

[Art.] 99. [Revision of Constitution Provided For.] (Repealed)

June 2, 1784. Question of calling a convention to be submitted to the people after seven years.

Delegates to be elected in the same manner as representatives. Questions to be approved by two thirds of qualified voters present and voting thereon. Amended 1792 detailing procedure for calling a convention.

Repealed 1980.

[Art.] 100. [Alternate Methods of Proposing Amendments.] Amendments to this constitution may be proposed by the general court or by a constitutional convention selected as herein provided.

(a) The senate and house of representatives, voting separately, may propose amendments by a three-fifths vote of the entire membership of each house at any session.

(b) The general court, by an affirmative vote of a majority of all members of both houses voting separately, may at any time submit the question "Shall there be a convention to amend or revise the constitution?" to the qualified voters of the state. If the question of holding a convention is not submitted to the people at some time during any period of ten years, it shall be submitted by the secretary of state at the general election in the tenth year following the last submission. If a majority of the qualified voters voting on the question of holding a convention approves it, delegates shall be chosen at the next regular general election, or at such earlier time as the legislature may provide, in the same manner and proportion as the representatives to the general court are chosen. The delegates so chosen shall convene at such time as the legislature may direct and may recess from time to time and make such rules for the conduct of their convention as they may determine.

(c) The constitutional convention may propose amendments by a three-fifths vote of the entire membership of the convention.

Each constitutional amendment proposed by the general court or by a constitutional convention shall be submitted to the voters by written ballot at the next biennial November election and shall become a part of the Constitution only after approval by two-thirds of the qualified voters present and voting on the subject in the towns, wards, and unincorporated places.

September 5, 1792. Question of calling a convention to be submitted every 7 years.

Amended 1964 twice changing submission of question on calling a convention to every 10 years rather than 7 and providing that the general court could propose amendments.

Amended 1980 twice incorporating provisions of repealed Art. 99 and requiring all proposals be submitted at the next biennial November election.

[Art.]101. [Enrollment of Constitution.] This form of government shall be enrolled on parchment, and deposited in the secretary's office, and be a part of the laws of the land and printed copies thereof shall be prefixed to the books containing the laws of this state, in all future editions thereof.

Ethics Guidelines

1 PRINCIPLES OF PUBLIC SERVICE.

I. Public Office As A Public Trust

Legislators should treat their office as a public trust, only using the powers and resources of public office to advance public interests, and not to attain personal benefits or pursue any other private interest incompatible with the public good.

II. Principle Of Independent Objective Judgment

Legislators should employ independent objective judgment in performing their duties, deciding all matters on the merits free from conflicts of interest and both real and apparent improper influences.

III. Principle Of Accountability

Legislators should assure that government is conducted openly, equitably and honorably in a manner that permits the citizenry to make informed judgments and hold government officials accountable.

2 DEFINITIONS.

I. "Anything Of Value" includes but is not limited to the following:

(m) A rebate or discount in the price of anything of value unless the rebate or discount is made in the ordinary course of business to a member of the public without regard to that person's status as a public official or public employee, or the sale or trade of something for reasonable compensation that would ordinarily not be available to a member of the public.

II. "Conflict Of Interest" is the condition in which a legislator has a financial interest in any official activity.

III. "Financial Interest" is a reasonably foreseeable direct material financial effect, distinguished from its effect on the public generally, on the legislator or his or her spouse.

IV. "Immediate Family" includes a spouse, guardian, parent, sibling, child or dependent.

V. "Legislation" is a bill, resolution or constitutional amendment.

(c) Threaten a state agency or its employees with reprisals or promised inducements of any kind to influence agency decisions so as to obtain special personal benefits for the legislator, the legislator's immediate family, or for certain constituents which would not be available to others under similar conditions.

(d) Conduct private negotiations with a state agency in an attempt to obtain a decision on a pending matter which would result in special personal benefit to the legislator, to the legislator's immediate family, or to certain constituents which would not be available to others under similar conditions.

III. Legislators shall not use their public position or office to obtain anything of value for the private benefit of the legislator or the legislator's immediate family.

IV. Legislators shall not use state-provided services or facilities for private gain.

V. Legislators shall not become involved in any official activity without complying with the conflict of interest procedure set forth in this document.

VI. Nothing in this section on prohibited activities should be construed to prohibit the following:

(a) The giving or receiving of campaign contributions made for the purpose of defraying the costs of a political campaign.

(b) Assistance to constituents in their dealings with state agencies.

(c) Advocacy of a particular outcome on matters pending before a state agency when the legislator believes such a decision would benefit the general public or the legislator's constituents generally.

(d) Submission by a legislator of recommendations or references on behalf of a candidate for state employment when the legislator believes the candidate is qualified to be a suitable public employee.

(e) Acceptance of awards, prizes or other honors of a minimal value.

(f) Acceptance of anything of value the receipt of which would otherwise be a violation of this section where the value is less than $250.00 in aggregate from any single source during any calendar year.

(g) Acceptance of reimbursement or underwriting of actual expenses for registration, travel, lodging, and subsistence directly related to attendance at a bona fide informational or educational conference, seminar, or meeting, so long as disclosure of any such reimbursement or underwriting, including the identity of the primary sponsor or sponsors and including financial contributors, is made within 15 calendar days of the legislator's return from such conference (if expenses are underwritten) or, within 15 calendar days of reimbursement. This disclosure shall be filed in the Office of the Secretary of State and shall be in the form prescribed in RSA 15-B.

5 CONFLICT OF INTEREST PROCEDURE.

I. No declaration shall be required if no benefit or detriment could reasonably be expected to accrue to the legislator as a member of a business, profession, occupation, or other group, to any greater extent than to any other member of such business, profession, occupation, or other group, provided that disclosure of the legislator's membership is made in the Financial Disclosure Form pursuant to Section 3 of the Ethics Guidelines. For purposes of these guidelines, groups shall be limited to ones generally recognized and of a substantial size.

II. When a legislator becomes aware that a conflict of interest exists or may exist and the conditions set forth in paragraph I are not met, the legislator shall proceed in accordance with either subparagraph (a) or (b):

(a) Declare that the legislator will not participate in any official activity associated with the issue.

(b) Declare that the legislator intends to participate in the official activity and will provide a description of the conflict of interest including:

* names of all entities, both public and private, which might be affected;
* the nature of any benefit which may accrue to the legislator;
* the nature of any financial interest in the issue;
* the nature of any relationship which existed, exists or may exist between the legislator and any person or entity which might be affected;
* such additional information as may be required to permit clear public awareness and understanding of the nature and extent of the conflict.

III. The declaration required in subparagraphs II (a) and (b) of this procedure shall be publicly announced prior to the legislator's initial participation in the official activity. The information required in subparagraph (b) shall be filed with the clerk of the member's respective body within 24 hours of the time of the official activity and be made available for public inspection during normal business hours.

6 LEGISLATIVE EMPLOYEE CODE OF CONDUCT.

I. General Principles of Conduct.

(a) A legislative employee or officer should view his or her work for the General Court as a public service and should strive to promote the common good of the citizens of the State of New Hampshire through the devotion of his or her professional talents and energies to the support of the General Court in its mission as the representative of the citizens of this state.

(b) A legislative employee or officer should act in a way that makes him or her worthy of the trust the General Court places in staff members and officers.

(c) A legislative employee or officer should provide objective advice, information, and alternatives to legislators, independent of the employee's or officer's personal beliefs or interests or the interests of third parties. A legislative employee or officer should avoid activities that conflict with this objectivity or give the appearance of conflict.

(d) A legislative employee or officer should treat all legislators with dignity and respect, and provide services of equal quality to the employee's or officer's appropriate legislative clientele.

II. Definitions.

(a) "Legislative employee" includes all house, senate, and joint staff whether employed on a part-time, full-time, permanent or temporary basis.

(b) "Legislative officer" includes those employees of the House and Senate who are elected by members of the General Court.

III. Prohibited Activities.

(a) A legislative employee or officer shall not accept any gift from givers who wish to influence the work activities of the employee or officer. A legislative employee or officer shall not accept any employment or serve in any position, in addition to legislative employment, which would impair the employee's or officer's independence of judgment.

Except within the scope of employment, a legislative employee or officer shall not provide any service to a lobbyist or any other person with a direct personal interest in any matter or action pending before the General Court. Nothing in this paragraph should be construed to prohibit the following:

(1) Acceptance of awards, prizes, honors, or gifts of a minimal value.

(2) Acceptance of informational material relevant to the employee's or officer's official function, such as books, pamphlets, reports, documents, periodicals, or other information that is recorded in a written, audio, or visual format.

(3) Acceptance of reimbursement or underwriting of actual expenses for registration, travel, lodging, and subsistence directly related to attendance at a bona fide informational or educational conference, seminar, or meeting, so long as disclosure of any such reimbursement or underwriting, including the identity of the primary sponsor or sponsors and including financial contributors, is made to the joint committee on legislative facilities or the fiscal committee of the general court as appropriate within 15 calendar days of the employee's or officer's return from such conference (if expenses are underwritten) or within 15 calendar days of reimbursement. This disclosure shall be in a form prescribed by the above-cited committees and shall be made available to the public upon request.

(b) A legislative employee or officer shall not use or attempt to use the employee's or officer's official position to (a) personally obtain any privilege, exemption, special treatment or any other thing of value, or (b) obtain any such benefit for others except as required to perform duties within the scope of employment.

(c) A legislative employee or officer shall not accept or solicit anything of value for the private benefit of the employee or officer or the employee's or officer's immediate family under circumstances in which it can be reasonably inferred that the legislative employee's or officer's independence of judgment is impaired or is intended as a reward for any official action.

(d) A legislative employee or officer shall not use state-provided services or facilities for private gain.

(e) A legislative employee or officer shall not disclose confidential information acquired by reason of the employee's or officer's official position to any person or group not entitled to receive such information, nor shall the employee or officer use such information for personal gain or benefit or for the benefit of others.

(f) A legislative employee or officer shall not enter into any contract with a state agency involving services or property, unless the contract is made after public notice and competitive bidding; except in cases where public notice and competitive bidding are not required, the contract or agreement shall be filed with the employee's or officer's supervisory officer.

IV. Disclosure Procedure. When a legislative employee or officer becomes aware that his or her participation in a particular activity presents a conflict of interest or conflicts with his or her objectivity or gives the appearance of a conflict, the employee or officer shall immediately make disclosure of this fact to his or her supervisory officer. All such reports shall be forwarded to the Chief of Staff of the House, the Chief of Staff of the Senate, the Director of the Office of Legislative Services, or Legislative Budget Assistant, as appropriate.

ADVISORY OPINIONS

1991 - #1 (December 23, 1991)

The Committee will not consider complaints received alleging violations of the Ethics Guidelines if the alleged violation occurred prior to the establishment of the Guidelines.

1991 - #2 (December 23, 1991)

The Committee recognizes that legislators and officers may require a period of time to review and become familiar with the Ethics Guidelines. Accordingly, the Committee encourages legislators and officers to review and become familiar with the Guidelines, and if any violations are noted, to take action to promptly and satisfactorily remedy them.

1991 - #3 (December 23, 1991)

The Financial Disclosure Form required under Section III [Section 3] will not be due for the first time until January 15, 1993 for the previous calendar year.

1992 - #1 (March 9, 1992)

The prohibition set forth in Part IV, 1 [Section 4, I] does not extend to the receipt by a legislator of anything of value on behalf of an entity in which the legislator has no financial interest as defined in Part II, 3 [Section 2, III].

1992 - #2 (March 9, 1992)

The definition of anything of value does not include the receipt of discounts so long as such discounts are offered to legislators generally, including those from other states.

1992 - #3 (April 27, 1992)

[This Advisory Opinion (regarding membership in the New Hampshire Retirement System) has been superseded by Advisory Opinion 1998 - #2.]

1993 - #1 (October 13, 1993)

In response to a request for an interpretation as to the application of Section IV, 6(f) [Section 4, VI(f)] of the Ethics Guidelines as it applies to testimonials held for legislators, the Committee determined that the limit contained therein, i.e., less than $250.00 in aggregate from any single source in any calendar year, does apply to receipts from testimonials. In reaching this determination, the Committee has utilized the definition of testimonial as set forth in RSA 15-B:1, IV, and further adopts the procedure followed by the Secretary of State in administering RSA 15-B, i.e., for purposes of the limit, the cost of staging the testimonial may be deducted from the total price of tickets or charge for attendance.

1996 - #1 (March 27, 1996)

[This Advisory Opinion (regarding ownership of land subject to current use assessment) has been superseded by Advisory Opinion 1998 - #2.]

1996 - #2 (November 18, 1996)

In response to inquiries received by the Committee regarding permissible activity of legislative employees, the Committee issues the following advisory:

The Guidelines prohibit a legislative employee from accepting a gift from one who wishes to influence the work activities of the employee, unless the gift is of minimal value, and also prohibit such an employee from accepting anything of value for his/her private benefit if it can be reasonably inferred that the employee's independence of judgment is impaired thereby or the gift is intended as a reward for any official action

(Section 6, III(a) and (c), respectively). The inquiries dealt with examples such as receptions at which food and beverages are served free of charge, all legislators and staff having been invited by individual invitations or general calendar notice, testimonial receptions or dinners for which tickets are available without charge from legislators or lobbyists, receptions or dinners without charge at a New Hampshire company's place of business to which all legislators and staff are invited, and other sporting or social entertainment events for which legislators or staff are given tickets without charge.

In view of the referenced guideline provisions, the evaluation of whether an event is of "minimal value" must be made on an individualized basis, although most receptions and dinners would fall within this limitation. Moreover, if all staff were invited, there would likely be no impairment of individual judgment or intended reward, and therefore no likely violation of the Guidelines. Conversely, as the value of the event increases, or the scope of invited staff persons decreases, the prohibitions of the Guidelines are implicated, and the staff person should seek guidance from his/her supervisor. Payment of fair value for the event would obviate any possible violation of the Guidelines.

In sum, if a staff person receives a gift or an invitation to an event, the value of which is more than minimal, or the gift is specifically and directly given to that individual, either exclusively or as one of a small group of individuals, it may be a violation of the Guidelines. The Committee is available to provide advice with respect to specific situations as they arise.

1998 - #1 (May 12, 1998)

The Legislative Ethics Committee received a request for an Advisory Opinion concerning the participation of legislators, legislative officers, and legislative employees in fundraising activities associated with nonprofit organizations or commercial activities when such activities take place on state government property or use state-provided services or facilities. The Committee held hearings to receive input on March 18, 1998 and April 16, 1998 and reached the following conclusions.

The Committee considered whether legislative staff could participate in taking orders from legislators or staff on behalf of commercial enterprises during work hours. The issue of solicitations made by staff on

behalf of for-profit organizations would in most cases fall under the jurisdiction of the Joint Committee on Legislative Facilities (RSA 17-E) and the employees' supervisors.

Ethics Guidelines Section 4, IV, which provides, "Legislators shall not use state-provided services or facilities for private gain," would prohibit legislators from advancing their commercial interests through the use of staff or other state-provided services or facilities.

The Ethics Guidelines would not appear to generally prohibit solicitations by members on behalf of nonprofit organizations. The issue of solicitations made by staff on behalf of nonprofit organizations would in most cases fall under the jurisdiction of the Joint Committee on Legislative Facilities (RSA 17-E) and the employees' supervisors.

The Committee is sensitive to possible conflicts of interest which could arise and potentially constitute a violation of the Ethics Guidelines, but until there is a specific case, the Committee declines to issue any further advice.

1998 - #2 (October 6, 1998)

The Legislative Ethics Committee received and reviewed a request for an Advisory Opinion to provide guidance for legislators for complying with the financial disclosure and conflict of interest disclosure provisions of the Ethics Guidelines.

Ethics Guidelines Section 3, Legislator's Financial Disclosure Form, requires every legislator to file a Financial Disclosure Form with the Office of the Secretary of State on or before January 31 of each year. The form consists of two sections. Completion of Section 1 of the form, which requires a legislator to identify sources of income in excess of $10,000 during the preceding calendar year, is mandatory. Completion of Section 2 of the form, which affords a legislator the opportunity to disclose and describe any financial interest that the legislator or legislator's spouse may have in certain businesses, professions, occupations, groups, or matters, is optional. Section 2 of the form is intended to eliminate the requirement in most circumstances for a legislator to file a specific Declaration of Intent Form, as provided in Ethics Guidelines Section 5, at the time of participation in any official activity in which a legislator has a potential conflict of interest.

Conflicts of interest, as defined for legislators in Ethics Guidelines Section 2, exist when a legislator's participation in any legislative ac-

tivity has a direct material financial effect upon the legislator, or the legislator's spouse, which is distinguishable from its effect upon the general public. It is the responsibility of legislators to recognize when a conflict of interest exists and to act accordingly through the use of the appropriate disclosure procedure.

There are three ways for a legislator to comply with the disclosure provisions of the Ethics Guidelines.

Option #1: Completion of Section 2 of the Legislator's Financial Disclosure Form. The so-called "checklist" allows a general disclosure of a legislator's financial interests in certain issues likely to come before the General Court. Although disclosure of financial interests on the checklist would satisfy the Ethics Guidelines' disclosure requirements in most circumstances, it will not relieve a legislator from the requirement of filing a specific Declaration of Intent Form if a legislator's participation in pending legislation or other official activities could reasonably be expected to result in any benefit that is either: (1) limited to the legislator or the legislator's spouse (or a small group which includes the legislator or the legislator's spouse); or (2) of a significantly greater magnitude than would result to other individuals with similar financial interests. In such cases, the legislator must choose either Option #2 or Option #3.

Option #2: Filing a Declaration of Intent Form and indicating "I will participate." When a legislator becomes aware that participation in an official activity could reasonably be expected to result in any benefit that is either limited to the legislator or the legislator's spouse (or a small group which includes the legislator or the legislator's spouse) or is of a significantly greater magnitude than would result to other individuals with similar financial interests, the legislator must file a Declaration of Intent Form. On the form, a legislator may elect to declare an intention to participate in the activity but must detail the nature of the conflict of interest in order to do so. Use of the Declaration of Intent Form is also required for disclosure of any conflicts of interest which have occurred subsequent to filing the checklist form in January of the current year.

Option #3: Filing a Declaration of Intent Form and indicating "I will not participate." When a legislator becomes aware that participation in an official activity could reasonably be expected to result in any benefit that is either limited to the legislator or the legislator's spouse (or

a small group which includes the legislator or the legislator's spouse) or is of a significantly greater magnitude than would result to other individuals with similar financial interests, the legislator must file a Declaration of Intent Form and may elect to abstain from participation in any activity relating to the issue. The decision to participate or not to participate is solely that of each individual legislator. The greater the perceived financial benefit is to the legislator, however, the more seriously the legislator may want to consider electing not to participate.

The Committee believes that the following hypothetical examples may be helpful in understanding the conflict of interest disclosure procedure and choosing an appropriate disclosure option:

(1) The legislator owns a restaurant and has disclosed this financial interest by checking the box in checklist category "(i) restaurants and lodging" and writing on the line below "My wife and I own a restaurant." There is a bill before the legislature to raise the Rooms & Meals Tax generally. The legislator is not required to file a specific Declaration of Intent Form before voting on or participating in any official activity relating to the bill because the legislator's generic disclosure on the checklist adequately covers this legislation which is of a general nature.

(2) The legislator is a lawyer and a partner/owner of a two-person law firm. The legislature is considering one bill relating to the Business Enterprise Tax and another relating to the regulation of lawyers. The legislator has disclosed the financial interest in checklist categories: "(k) the practice of law," and "(q) New Hampshire Taxes: Business Enterprise Tax." As in the example above, no filing of a specific Declaration of Intent Form is required because these generic disclosures on the checklist adequately cover these general pieces of legislation.

(3) The legislator is a member or beneficiary of the New Hampshire Retirement System and has disclosed this financial interest in checklist category "(g) the New Hampshire Retirement System." Advisory Opinion 1992 - #3 and this opinion hold that membership in or receiving a benefit from the System constitutes a conflict of interest with respect to any proposed legislation, or other official activity, which would affect the amount or timing of benefits payable by the System to the legislator or the legislator's spouse or the

amount or timing of contributions required to be made to the System by the legislator or the legislator's spouse. The legislature is considering a bill to increase the state's contribution to the System for all members or affected group members or beneficiaries. The legislator stands to derive a direct financial benefit from passage of this legislation, however, this benefit would presumably be no greater than the benefit derived by the many other members of the System throughout the state. Therefore, the legislator's disclosure of membership in or being a beneficiary of the System on the checklist would satisfy the requirements of the Ethics Guidelines' disclosure provisions in this example. Although not required, the legislator may elect to file a Declaration of Intent Form and declare an intention to participate or not participate. The greater the perceived financial benefit is to the legislator, the more seriously the legislator may want to consider choosing these options.

(4) The legislator owns land subject to current use assessment. Advisory Opinion 1996 - #1 has previously held that the current use tax system constitutes a financial interest, and therefore a potential conflict of interest, with respect to any official activity pertaining to the tax. The legislature is considering a bill to change the definition of open space land and the method used to assess it. This bill would potentially affect the financial benefit of current use land ownership for every owner of land in current use. The legislator has disclosed the ownership of land in current use by checking the box in checklist category "(h) the current use land assessment program" and writing on the line below "I own 25 acres in current use." This disclosure would be sufficient in most cases given the large number of individuals in the state owning land subject to current use assessment and the probability that the financial benefit or detriment of the bill would affect all such landowners similarly. As in the example above, the legislator may elect to file a Declaration of Intent Form and declare an intention to participate or not participate. The greater the perceived financial benefit is to the legislator, the more seriously the legislator may want to consider choosing these options.

(5) The legislator is an attorney who represents an electric utility. The legislature is considering one bill relating to the Public Utilities Commission and another relating to the regulation of electric utilities. The legislator has disclosed the financial interest in checklist

category "(k) the practice of law." This disclosure would be sufficient if the legislator receives very little income from the utility. If, however, the legislator receives a significant income from the utility, the legislator must in addition either: (1) check checklist category "(l) any business regulated by the Public Utilities Commission" and disclose the name of the utility; or (2) file a specific Declaration of Intent Form for each of the two bills. As a practical matter, the legislator may not want to disclose on the checklist the names of all businesses with whom the legislator deals. Accordingly, the usual and preferred course would be to file a Declaration of Intent Form as the need arises. In some circumstances, the legislator may consider declining to participate, depending on the nature of the legislator's relationship with the utility, the amount of income generated, and the terms of the legislation.

(6) The legislator is a developer and has disclosed this financial interest in checklist category "(d) real estate, including brokers, agents, developers, and landlords." There is a bill to construct a new exit ramp off of a state highway. The legislator owns a parcel of land the value of which would be directly affected by construction of the exit ramp. Because the legislator stands to benefit directly from this specific legislation, the legislator's generic disclosure on the checklist form is inadequate. The legislator in this example must also file a specific Declaration of Intent Form and declare an intention to participate or not participate.

(7) The legislator is not a developer or professional Realtor and therefore has not made any disclosure in checklist category "(d)" or elsewhere on the checklist regarding a parcel of land owned by the legislator. The bill referenced in the above example would affect the value of this legislator's land. The legislator in this example must file a specific Declaration of Intent Form and declare an intention to participate or not participate.

(8) The legislator has an ownership interest in a hotel and makes disclosure of such in checklist category "(i) restaurants and lodging." There is a bill to allow video gambling in a few specific hotels, including the legislator's. Although the legislator has disclosed ownership in a hotel, the legislator could reasonably be expected to financially benefit from the bill in a way that only a few other individuals in the state would. The legislator must file a specific Declaration of Intent Form and declare whether the legislator will participate or will not participate.

(9) The legislator's spouse is a teacher in the state's public school system. The legislator could have elected to disclose this financial interest by checking checklist category "(n) education" and writing on the line below "My wife/husband is a public school teacher." Instead the legislator has chosen not to complete the optional checklist section of the Legislator's Financial Disclosure Form. There is a bill relating to teacher tenure. Because the legislator has made no disclosure of this financial interest, the legislator must file a specific Declaration of Intent Form and declare an intention to participate or not participate before voting on or participating in any official activity relating to this bill.

In adopting the Ethics Guidelines, the General Court has sought to balance the need of the public to know when a member may have a conflict of interest with the goal of providing a disclosure process that is clear and uncomplicated for members to use. The Committee recognizes that the application of any guideline to individual circumstances may pose questions not easily addressed in an advisory opinion which is general in nature. The Committee is available to provide advice with respect to specific situations as they arise.

INTERPRETATIVE RULINGS

1995 - #1 (September 27, 1995)

In response to a request for an interpretative ruling as to the application of the Guidelines to contributions in connection with the campaign for Speaker of the House, the Committee unanimously determined, at its meeting on September 27, 1995, that the exception for contributions to political campaigns set forth in Section IV, 6(a) [Section 4, VI(a)] applies to the campaign for Speaker of the House, and accordingly, the limitations and prohibitions of the Guidelines do not apply. The Committee did, however, believe that this issue was one that deserved attention from the Legislature, as it appeared, from the public hearing conducted by the Committee, that such contributions are currently unregulated, unreported prior to the election, and not subject to any other oversight.
